February 1, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Covenant House Academy -Central . The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kenneth Pickles, Principal for assistance.

The AER is available for you to review electronically by visiting the following website [Annual Education Review](#)

or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA).

- *Targeted Support and Improvement (TSI)* school is one that had at least one underperforming student subgroup in 2018-19.
- *Additional Targeted Support (ATS)* school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18.
- *Comprehensive Support and Improvement (CSI)* school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.  
**Our school was not given one of these labels.**

## **Key Challenges and Initiatives**

Covenant House Academy is a charter school serving the metro Detroit area. We are an alternative high school working with homeless, dropouts and at-risk students whose academic needs have not been met by traditional schools. Our students face many challenges the ongoing pandemic , socio-economic barriers, an increased need for more social and emotional support

As an alternative school , all students are welcome to attend regardless of their academic standing or other life issues. Our school and district are working to develop an ongoing Multi-Tiered System of Support( MTSS) using systems such as Exact Path, a program designed to fill in their learning gaps. We also offer Read Live , a reading program designed to increase our struggling readers to a high school reading level. These programs assist our students in completing their required coursework and transition to their post secondary goals, be it college , vocational training , jobs, the military or whatever their goals may be.

## **Pupil Assignment**

As an at-risk high school we do not have a cap on our enrollment , we welcome students throughout the year. We understand that our students have had many challenges and barriers in their educational journey and as such we truly have an open door enrollment .

## **School Improvement Plan**

The Michigan Integrated Continuous Improvement Process ( MICIP) is our new platform for School Improvement. We are in our first year of a five year plan. Some of our initial goals are to increase the number of courses students finish during a school year and thus increase our graduation rate. We are in the process of increasing Positive Behavior Interventions and Supports (PBIS), this along with our Restorative Practices will reduce behavioral issues at Central.

## **Our School**

Our school provides at-risk youth and high school dropouts a pathway to earn an **official state certified high school diploma** not a GED. This enables those students earning diplomas the ability to transition to vocational and/or college for training. Because of our relationship with Covenant House, a homeless shelter that we share a campus with, we are among a handful of schools that can grant a diploma up to the age of 22.

Our staff has received Trauma Informed Care training to assist in our students many challenges and barriers to learning. Dr.E'Lon and Ms. Voorheis are receiving training to deliver additional Trauma Informed care initiatives and programming. Mr.

Pickles is completing his Restorative Practices training which is an alternative to traditional punitive measures.

### **Core Curriculum**

We continue to use Edmentum as our online learning platform .This web based online program has allowed our students to continue to work through the pandemic. We also provide direct instruction classes to assist students with coursework. Our curriculum may be accessed from our website at <https://www.covenanthouseacademy.org/> . Our school follows the state requirements for the Michigan Merit Curriculum. Each of our students meets with our guidance counselor and reviews their academic transcript to determine each individual's students academic needs. We are also using Xello to help determine career interests and help plan out their post-secondary plans. Students are enrolled in two courses. While we allow students to work at their own pace, there is an expectation that students will finish a course within a seven week period. This allows the student to make academic progress and achieve graduation in a timely manner.

### **Student Achievement**

Covenant House Academy-Central uses both qualitative and quantitative assessments for our building and state testing . Students are assessed in all classes formally and informally depending on the curriculum. Our state testing data reflects the challenge of the pandemic. Students were not tested in the 19-20 school year and our student test numbers were under the minimum needed for reporting. Our students who did take the SAT had an average score of 752. . Our NWEA scores for Fall 2020 were 211 for Math and 207 for reading. The Fall 2021 scores are 207 for both reading and math. The groups of students who took these assessments were not the same, due to our high mobility. This data does reflect the learning gaps that our students have to overcome. We use this data to gauge the proficiency levels of our students and to develop learning paths for our Exact Path platform. This program is designed to help fill in the learning gaps that many students possess. At-risk students,by the very nature of the challenges that life has presented them , traditionally score lower on standardized tests. This is not a reflection of their ability but rather the inequality of the education that they have received before coming to Covenant House

### **Parental Partnership**

We strongly encourage parental involvement in our school.We understand that students are more successful with a partnership between school and home. We do our best at communicating with parents via a variety of platforms. We hold traditional parent meetings either in-person, telemeetings , newsletters, and flyers. We have a new Parent Teacher Organization organized by our own Ms. Watkins.

| School Year | #(%) of Students Represented at Parent/Guardian Conferences |
|-------------|---|
| 2019-20     | Not held due to pandemic                                    |
| 2020-202    | 6 ( 1%)   |
| 2021-22     | 3(1%)   |

**College Courses**

As an alternative high school that specializes in helping at-risk students, we do not currently have any dual-enrollment ,Advanced Placement (AP)/International Baccalaureate (IB) course offerings.

**Summary**

Covenant House Academy -Central, continues to provide the opportunity for students from the Metro Detroit area to earn their high school diploma. We use a variety of means including technology , direct instruction, and enrichment activities to build the relationships that help our students achieve graduation . We understand that earning that diploma is only the first part of your life's journey. Helping our students transition to life after high school is just as important. We assist and provide guidance for college, vocational training, and the armed services. Our greatest hope is that our school can help our students break the cycle of poverty and help them start the path to a successful future.

If you have any questions about the AER or any other issue related to your student, please contact me at the school. I am available by phone, in-person or a live platform to answer any questions about our school.

Sincerely,

Kenneth Pickles  
Principal  
CHA-Central
