Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Covenant House Academy (CHA) - Southwest Campus (SW). The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Covenant House Academy -Southwest Campus for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3pMNynk>, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as an Alternative Education Campus and; therefore has not been given one of these labels.

Being an alternative school, our students have many obstacles including attendance, transportation, housing, other acute social-emotional stressors and academic challenges. Students tend to lack content knowledge in all four content areas. Based on district progress monitoring data, students have pronounced reading comprehension and mathematical deficits. Due to our findings, our school will take the following steps to achieve our mission.

1. Continued implementation of the School Improvement plan (year 2) with the assistance of our authorizer - Grand Valley State University (GVSU).
2. Monitoring and evaluation of the adopted Edmentum Curriculum (common core emphasis)
3. Implementation of small group instruction in specific content areas (Pre-Algebra and Algebra, English I and English II )
4. Establishing a Multi-Tiered System of Supports (MTSS) continuous-improvement framework in which data-based problem solving and decision-making is practiced across all levels of the educational system for supporting students.
5. As a component of our MTSS framework, implementation of a Child Study protocol to address students' attendance, behavior, academic and social needs in a timely manner, while encouraging academic growth and student accountability through a Positive Behavioral Interventions and Supports (PBIS) initiative.
6. Implementation of Xello, a web-based learning platform to promote career and college readiness of students in grades 9 - 12.
7. Continued collaboration with internal and external stakeholders such as the school social worker and interventionist, the Michigan Advocacy Center, and Community Health and Social Services Center (CHASS) in a whole-child approach to improve student outcomes.

8. Continued implementation of a 23a program to help our most challenged students complete an education.
9. Continued implementation of a robust English Language Learner (ELL) program to support our diverse student population.

State law requires we provide the following information:

1. Students who reside in Michigan may enroll in the school as provided by law.
2. Covenant House Academy Southwest is in its first year of the new MiCIP and will continue to modify this living plan as needed for the upcoming school year.
3. Our school provides education for ages 15-22. At-risk youth and high school dropouts can earn a state endorsed high school diploma. In addition, our school improves their life skills, empowers them to continue to a higher education or postsecondary employment or training. Because we are affiliated with a homeless shelter, Covenant House Academies are the only schools allowed to grant a high school diploma up to the age of 22. Our caring staff works toward preventing poverty, underachievement and homelessness for our students, while offering them hope, encouragement, and a better change for future success. We offer small class sizes and online software programs that allow students to catch up and return to their neighborhood school on track for graduation. Southwest offers an immersive English Language Learner program that has approximately 60 students enrolled for the 2021-2022 school year.
4. Covenant House Academy Southwest is implementing the Edmentum web based curriculum based on common core standards. A copy of the MiCIP and curriculum will be available electronically by visiting the following website: [www.covenanthouseacademy.org](http://www.covenanthouseacademy.org), or you may review a copy in the principal's office at your student's school.

6. We strongly encourage parental involvement in our school. At the beginning of each year, we hold an open house in which we invite all parents and guardians to visit and tour our school to see “a day in the life” of a student at Covenant House Academy Southwest. Parent teacher conference data in the past includes:

| School Year | # (%) of students represented at parent/guardian conferences |
|-------------|--|
| 2019-2020   | 4 (3.2%) limited by the pandemic                             |
| 2020-2021   | 0 (0%) none due to the pandemic                              |

7. Since we are an alternative high school with a highly transient population, we have no students that were dual enrolled in college classes or were placed in any Advanced Placement (AP) courses.

The Covenant House Academy Southwest administration, along with the staff is committed to accelerating student achievement, and sustaining a continuous process of school improvement. We will continue to foster partnership between home, school and the community. The CHA-SW staff provides each of our students with educational opportunities that will help them achieve their future goals. We look forward to working with you to achieve our school’s mission and vision.

Sincerely,

Kimberly C. Harper - Principal
