

School Annual Education Report (AER) Cover Letter

April 11, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for the Covenant House Academy Southwest campus. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact building principal Eric George for assistance.

The AER is available for you to review electronically by visiting the following website www.covenanthouseacademy.org, or link to <http://bit.ly/2IsaaHJ>. You may also review a copy in our main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given any of these labels: "Targeted Support and Improvement", "Additional Targeted Support", "Comprehensive Support and Improvement" School.

Covenant House Academy Southwest is primarily a computer-based school. We have partnered with Kickstand for our curriculum. The courses are aligned with the Michigan Merit Curriculum and the Common Core Curriculum. Anyone who wishes to access a copy of the core curriculum may do so at the school's main office.

In light of our findings, our school will be taking the following steps to improve our status:

1. Continued implementation of the new School Improvement Plan with the assistance of our authorizer – Grand Valley State University (GVSU).

2. Implementing more direct instruction using Common Core instructional strategies in all classes and labs.
3. Developing a Flex Blended approach to the instructional model.
4. Incorporating the 21st Century afterschool activities with our program to provide enrichment and develop their artistic abilities

State law requires that we also report additional information:

1. Students who want to enroll in our school may do so throughout the school year. We have a rolling enrollment process that is open until the school is at capacity. When maximum enrollment for a grade has been reached, applications shall be placed on a waiting list and admitted based on a lottery system. CHASW did not need to hold a lottery for the following years: 2016-2017 and 2017-2018 school year. The enrollment process involves completing the required application packet and an orientation with the prospective student as well as the parent or guardian. During this process, future enrollees learn about the policies and procedure of the school, ensure all paperwork is complete, and take part in an introductory course to Kickstand.
2. CHASW in its fifth year of its School Improvement Plan and will continue to modify the plan as needed for the upcoming school year. The previous year, 2016-2017 represented our 4th year in the school improvement cycle.
3. Our school provides at-risk youth and high school dropouts the opportunity to earn high school diplomas, improve their life skills, and continue to higher education or post-secondary employment training. Because we are affiliated with a homeless shelter, Covenant House Academies are the only schools allowed to grant a high school diploma up to the age of 22. Our caring staff works toward preventing poverty, underachievement, and homelessness for our students, while offering them hope, encouragement, and a better chance for future success. We offer small class sizes and on-line software programs that allow students to catch up and return to their neighborhood school on track for graduation. Our school description represents the following years: 2016-2017 and 2017-2018.
4. CHASW will now be implementing the Common Core Standards. A copy of the SIP and curriculum will be available electronically by visiting the following website: www.covenanthouseacademy.org or you may review a copy in the principal's office at your child's school. This academic school year, as well as the 2016-2017 school year all teachers will continue training for the Common Core through workshops and district wide professional development.
5. The local assessment for CHASW workKeys. All students participate in WorkKeys testing at our school. All students are tested in the fall and then again in the spring to measure growth. Student growth is then measured by a formula of time in the school compared to growth by the student. At this time we have only been able to establish baseline data for the following years: 2016-2017 and 2017-2018 to measure growth between cohorts.

We strongly encourage parental involvement in our school. We periodically hold parent meetings as well as parent/teacher conferences. Last year we initially had our Title 1 Annual Parent meeting on September 22nd 2017. We are continuing to inform our parent with follow up Parent Organization Meeting and our goal is to impact and involve as many parents as possible. As we move forward we hope to increase parent participation. Our parent teacher conferences participation for the 2016-2017 school year was 18%. We experienced a 23% parent participation rate for the 2017-2018 school year. This improvement represents a 5% increase from the previous year

6. Since we are an alternative high school with a high transient population, we have no students that were dual-enrolled in college classes or were placed in any Advanced Placement (AP) classes. The following information is representation of the following years: 2016-2017 and 2017-2018.
 - A. We did not have any students that were dually enrolled

- B. We do not offer AP/IB courses.
- C. We do not have any students that are enrolled in college courses.
- D. We do not have any students that are enrolled in college courses.

While we are pleased to have reached many goals, we are continuously working to improve. We appreciate the continuing support of parents and staff and our community in this effort. We look forward to working with you in our continued efforts to provide for your student's education.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric George". The signature is written in a cursive style with a large initial "E" and a long, sweeping underline.
