

School Annual Education Report (AER)

January 24, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the Covenant House Academy - Southwest. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the building principal, Eric George for assistance.

The AER is available for you to review electronically by visiting the following website: <http://bit.ly/2tzLmES> or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-2019 school year per federal requirements. The new definitions are:

TSI - The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS - The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given any of these labels: "Targeted Support and Improvement", "Additional Targeted Support", "Comprehensive Support and Improvement" School.

Being an alternative school, we have many challenges including attendance and academic difficulties. Many of our students have difficulty getting to school, and

once they are at school, they struggle because they have missed some steps in their educational careers.

In light of these findings, our school has implemented the following steps to improve our status:

1. Continued implementation of the School Improvement Plan with assistance from the district's authorizer: Grand Valley State University (GVSU).
2. Implementing more small-group instructions using Common Core Standards and Marzano's instructional and vocabulary strategies.
3. Developing a mentoring program to address attendance, behavior, and social needs.
4. Continued implementation of a 23a program to help our most challenged students complete an education.

State law requires that we also report additional information:

1. Students who reside in Michigan may enroll in the school as provided by law. Because space is limited, each student must enroll each year. Preferences will be given to students currently enrolled and to siblings of enrolled students. When maximum enrollment for a grade has been reached, applications shall be placed on a waiting list and admitted on the basis of a lottery system. Covenant House Academy - Southwest did not need to hold a lottery for the 2018-2019 school year.
2. Covenant House Academy - Southwest is in its fourth year of the School Improvement Plan and will continue to modify the plan as needed for the upcoming school year.
3. Our school provides education for ages 16-22, at-risk youth and high school drop-outs the opportunity to earn a high school diploma. In addition, improving their life skills, and continue on to higher education or post secondary employment training. Because we are affiliated with a homeless shelter, Covenant House Academies are the only schools allowed to grant a high school diploma up to the age of 22. Our caring staff works toward preventing poverty, underachievement, and homelessness for our students, while offering them hope, encouragement, and a better chance for future success. We offer small class sizes and on-line software programs that allow students to catch up and return back to their neighborhood school on track for graduation.
4. Covenant House Academy - Southwest is implementing the Common Core Standards. A copy of the School Improvement Plan and curriculum will be available electronically by visiting the following website: www.covenanthouseacademy.org, or you may review a copy in the principal's office at your child's school.
5. For the 2018/2019 school year our data was inconclusive due to the testing change. The district dropped Accucess and used WorkKeys. We are continually working to improve our students' academic skills in all core subject areas. We appreciate the continued support of parents, staff, and our community partners in this effort. At this time, we have only been able to establish baseline data for the 2018/2019 year to measure growth between cohorts.
6. We strongly encourage parental involvement in our school. At the beginning of each year we hold an open house in which we invite all parents and guardians to visit and tour our school to see "a day in the life" of a student at Covenant House Academy - Southwest. We periodically hold parent meetings as well as parent/teacher conferences. Last year, we held our Title 1 Annual Parent meeting on September 18, 2019. We had 36 parents in attendance, which represented 16% of our student population. We are continuing to inform our parents with follow up Parent Organization Meeting and our goal is to impact and involve as many parents as possible. As we move forward, we hope to increase parent participation.

7. Since we are an alternative high school with a high transient population, we have no students that were dual enrolled in college classes or were placed in any Advanced Placement (AP) classes.

The Covenant House Academy, Southwest administration, along with staff is committed to accelerating student achievement and providing a continuous process of school improvement. We will continue to provide a solid partnership between home and school. The CHASW staff is dedicated to providing each of our students with educational opportunities that will help them be successful in their future goals. We look forward to working with you in our continued efforts to provide for your students' education.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric George", with a long horizontal flourish extending to the right.

Eric George, Principal
