

## School Annual Education Report (AER) Cover Letter

March 19, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Covenant House Academy Detroit, East Site. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Nathaniel King for assistance.

The AER is available for you to review electronically by visiting the following website: <https://goo.gl/AUDOUX> or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

\* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given any of these labels: "Targeted Support and Improvement", "Additional Targeted Support", "Comprehensive Support and Improvement" School.

Being an alternative school, we have many challenges including attendance and academic difficulties. Many of our students have difficulty getting to school, and once they are at school, they struggle because they have missed some steps in their educational careers.

In light of these findings, our school has implemented the following steps to improve our status:

1. Continued implementation of the School Improvement Plan with assistance from the district's authorizer: Grand Valley State University (GVSU).
2. Implementing more small group instruction using Common Core Standards and Marzano's instructional and vocabulary strategies.
3. Developing a mentoring program to address attendance, behavior, and social needs.
4. Continued implementation of a 23a program to help our most challenged students complete an education.

State law requires that we also report additional information:

1. Students who reside in Michigan may enroll in the school as provided by law. Because space is limited, each student must enroll each year. Preferences will be given to students currently enrolled and to siblings of enrolled students. When maximum enrollment for a grade has been reached, applications shall be placed on a waiting list and admitted on the basis of a lottery system. CHAD- East Site did not need to hold a lottery for the 2017-2018 school year.
2. Covenant House Academy Detroit, East Site is in its eighth year of the School Improvement Plan and will continue to modify the plan as needed for the upcoming school year.
3. Our school provides at-risk youth and high school dropouts the opportunity to earn high school diplomas, improve their life skills, and continue on to higher education or post secondary employment training. Because we are affiliated with a homeless shelter, Covenant House Academies are the only schools allowed to grant a high school diploma up to the age of 22. Our caring staff works toward preventing poverty, underachievement, and homelessness for our students, while offering them hope, encouragement, and a better chance for future success. We offer small class sizes and on-line software programs that allow students to catch up and return back to their neighborhood school on track for graduation.
4. Covenant House Academy Detroit, East Site is implementing the Common Core Standards. A copy of the School Improvement Plan and curriculum will be available electronically by visiting the following website: [www.covenanthouseacademy.org](http://www.covenanthouseacademy.org), or you may review a copy in the principal's office at your child's school.
5. For the 2016-2017 school year our data had a slight increase in WorkKeys scores from fall to spring. Fall Applied Math 69.57 Fall Graphic Literacy (Reading) 70.40 to Spring Applied Math 70.37 Spring Graphic Literacy (Reading) 70.45. Our 2017-2018 school year data had a slight increase in WorkKeys scores from fall to spring, 2017-18 Fall Applied Math 70.35 Spring Graphic Literacy (Reading) 71.24 to 2017-18 Spring Applied Math 71.60 Spring Graphic Literacy (Reading) 72.20. We are continually working to improve our students' academic skills in all core subject areas. We appreciate the continued support of parents, staff, and our community in this effort. The WorkKeys assessment will be administered two times per year to all students.
6. We strongly encourage parental involvement in our school. For the 2016-2017 school year we had 30 parents, which represented 19% of the student population. For the 2017-2018 school year we had 20 parents, which represented 8% of the student population. At the beginning of each year we hold an open house in which we invite all parents and guardians to visit and tour our school to see "a day in the life" of a student at Covenant House Academy Detroit, East Site. We periodically hold parent meetings as well as parent/teacher conferences.
7. Since we are an alternative high school with a high transient population, we have no students that were dual-enrolled in college classes or were placed in any Advanced Placement (AP) classes.

The staff of Covenant House Academy Detroit, East Site is committed to providing a quality educational experience for our students. Over the past year, we have developed a school culture focused on learning. All of our students have had difficulty in some form or another in the traditional school setting, and we strive to make them successful in our school. We are looking forward to a productive year where we will see the results of our careful planning. Students will leave our school prepared for the next stage in their lives.

Sincerely,

Nathaniel King  
Principal
