PARENTS MAKE THE DIFFERENCE!

TITLE 1 VIRTUAL PARENT MEETING

COVENANT HOUSE ACADEMY JAN. 2021

Dear Families, Each year our school typically holds a meeting with families to let you know about our Title I program. At this meeting, parents also have an opportunity to provide feedback on the program and our parental involvement plans. Due to the ongoing COVID-19 situation, we will hold our Annual Title 1 meeting virtually this year. Covenant House Academy values its parents and families and wants them to become involved in our Title I school by doing the following: attending school meetings, getting involved in family event planning, supporting school-based surveys, and reviewing pertinent Title I plans (school improvement and parental involvement policies). Parents you make the difference! We need your participation to help our students and school to achieve success.

When parents participate in regular two-way meaningful communication, and are able to discuss student academics, learning, and other school activities.

Parents are able to ensure:

- They play an integral role in assisting their students learning
- They are encouraged to be actively involved in their student's education at school
- They are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Our goal is to better understand our students' needs, skills, and personalities to help them reach success. Parent-teacher connection truly helps the teacher-student connection. Parents still make the difference!

Additionally, our goal is to give parents important information about the whole student, gather information from parents, and create solutions together. We're looking forward to partnering with you to encourage and guide our students to success.
