CHA Youth Watch: Helping us help kids get back into school

Covenant House Academy Youth Watch is a call to action for parents, grandparents, families, and community members to assist CHA in helping former students get back into school. If you know a young person between the ages of 16 and 22 who is not currently attending classes and has not yet graduated, let us know by calling **616 364-3600**.

We will reach out to these young people to develop a comprehensive plan to get them back in school, and connect them with any resources they might need to counteract problems that prevent regular attendance.

Covenant House Academy has a diverse portfolio of educational options available, including a number of **non-traditional options** for students with jobs or other obligations. There is even a resource available for adults age 22 and older. Please call **616-364-3600** for details or visit our enrollment inquiry online at **<https://www.covenanthouseacademy.org/enroll>**.
